

2021 JOINT CONFERENCE and AGM OF THE CANADIAN SECTION AND THE ONTARIO CHAPTER OF THE WILDLIFE SOCIETY

12-14 March 2021
Virtual AGM

CALL FOR PAPER AND POSTER ABSTRACTS

Deadline: January 22nd, 2021

You are invited to submit titles and abstracts for paper and poster presentations for the Virtual Joint Conference and AGM of the Canadian Section and the Ontario Chapter of The Wildlife Society. Presentations on wildlife management, research, monitoring, species biology, and new techniques in Canada and abroad are all welcome.

Prizes will be awarded for best student presentations and posters. Students should indicate their intent to compete for the award when submitting their abstract.

Speakers must register for the conference if their presentation is selected (Registration will open in February). Registration will be free for members of the Canadian Section AND Ontario Chapter. Registration costs to be announced for non-members.

Please submit your abstract via the Abstract Submission Form [HERE](#).

DEADLINE FOR SUBMITTING ABSTRACTS IS JANUARY 22nd 2021

Acknowledgement: Abstracts will be acknowledged upon receipt via email

Notification: Authors will be advised of the decision on their abstract by February 1st, 2021.

Virtual Presentation Guidelines:

- We have elected to use a pre-recorded presentation model
- Speakers can record talks using a method of their choice, provided the presentation is submitted as an MP4.
- Presentations are required to be uploaded by **Sunday, February 22nd 2021** at midnight to facilitate posting and viewing during the weeks leading up to the live portion of the conference.
- Speakers will be scheduled for and expected to attend moderated live question periods on **Saturday, March 13th**.
- Oral presentations should be no longer than 15 minutes in length and poster presenters will be asked to submit an ~3 min presentation associated with their work. We ask that each speaker provide a brief introduction of themselves (e.g., biosketch) in addition to their presentation. This will be used to introduce speakers during the live question periods at the conference.
- For more conference information, please check the [CSTWS](#) or [OCTWS](#) webpage
