Peter Hettinga
Ontario Chapter of The Wildlife Society

Dear Peter:

The Ontario Chapter of The Wildlife Society bylaws have been reviewed. The amended bylaws are in conformance with The Wildlife Society bylaws and are approved. Please add two dates to the top of the bylaws:

Organized: April 15, 2009
Amended and Approved: April 1, 2019

After amending the bylaws to display these two dates, please send me a final copy to keep in your Chapter's file at TWS Headquarters. Please make sure to keep a copy for your files as well.

Sincerely,

Mariah Simmons
